1961 Cardinal

CAROLINE HIGH SCHOOL

Bowling Green, Virginia

Foreword

The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations--all blend into our high school experiences.

With the sincere hope of bringing a worthy souvenir of significant days at Caroline High School to its many loyal students, the Staff has devoted many hours of work.

We feel that your satisfaction with this volume is our compensation, and with this thought the Staff presents to you the 1961 Cardinal.

Wrapped in Avisco Cellophane

Sparkling, crystal clear cellophane has come a long way since it was used to package only luxurious items like fancy bon bons and rare perfumes. Today, cellophane is used in literally thousands of different applications by at least 60 major industries.

Much of the growth and progress of the cellophane industry is due to the fine work of Fredericksburg area people, many of them graduates of Fredericksburg area high schools. American Viscose Corporation congratulates this year's senior class and wishes them success.
